Beximco Pharma Commences Exports to Fiji

Beximco Pharmaceuticals Ltd. ("BPL" or the "Company"), the leading pharmaceutical manufacturer and the largest pharmaceutical exporter from Bangladesh, announces it has started supplying medicines to Fiji, a member of the Pacific Regional Trade Agreement.

The first consignment of medicine from BPL to Fiji consist a number of respiratory care products, including metered dose inhalers and nasal sprays.

Mr. Nazmul Hassan, CEO of Beximco Pharma said:

"Oceania is a strategically important market for BPL. Fiji is the second country in Oceania, after Papua New Guinea, where we have started exporting our medicines and commencing exports to Fiji will accelerate BPL's expansion in this region."
